The Gateway Story

In early 2000, looking to lead a simple life, brothers Brett and Tony Spurling and their wives Karen and Debra built a greenhouse on their family's 110-acre property in Coldstream, with a dream of growing tomatoes.

Of course, what began as a simple plan to lead a simple life, evolved over the years into the Gateway Estate you see today, a gourmet farmgate and café, and much-loved Yarra Valley icon.

All the produce you see here in the shop and served in our café, has been sourced with the lowest food miles possible. Our extensive range of quality artisan produce has all been grown and made locally, either here at Gateway Estate, from Yarra Valley producers, or within Victoria and Australia.

So sit back, peruse the menu and enjoy your 'paddock to plate' experience, knowing that everything you'll order on today's menu has been sourced as locally as possible.

And, the even greater news is - if you love any of the following Yarra Valley delicacies served as part of our menu, they are all available here, for you to buy and take home.

- *Gateway sweet capsicum relish, BBQ relish and strawberry jam*
 - *Montrose Ham*
 - *Fresh bread from Yarra Glen Bakehouse*
 - *Frog & Duck Sourdough Bread*
 - *Crumbs of the Yarra Valley Biscuits*
 - *Yarra Valley Gold Free Range Eggs*
